

## Sloop rigged sailing yacht WINDWARD

Licence No: BC244444

Year built: 1981

Asking price: \$25,000.00

All the proceeds will go to the Canadian Lifeboat Institute, a not-for-profit, nationally registered charitable marine search and rescue organization dedicated to saving lives and property at sea. Its members and lifeboat crews, from all walks of life, are volunteers concerned about marine safety and rescue. The CLI is not directly funded by the government but relies entirely on personal and corporate donations, as well as community and other grants.

The last marine survey was done November 23<sup>rd</sup>, 2023 and is available upon request.
